

Real World Reinforcement Learning Workshop

Rajan Chari

Jack Gerrits

Justin Li

Paul Mineiro

Dwaipayan Mukherjee

Cheng Tan

<https://aka.ms/RWRLAINextCon2020>

Agenda

Adapting to the changing world

Introduction to reinforcement learning and contextual bandits

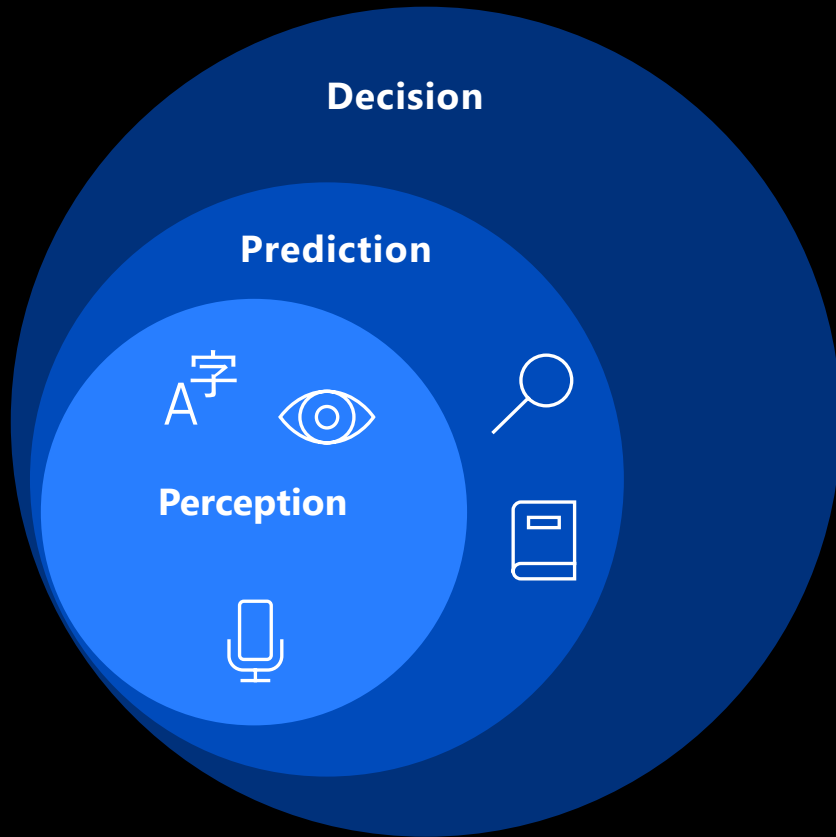

Personalizer overview

Apprentice mode

Making contextual bandits work in practice

Q&A

How can apps react to a changing world?

Perception and prediction

UI

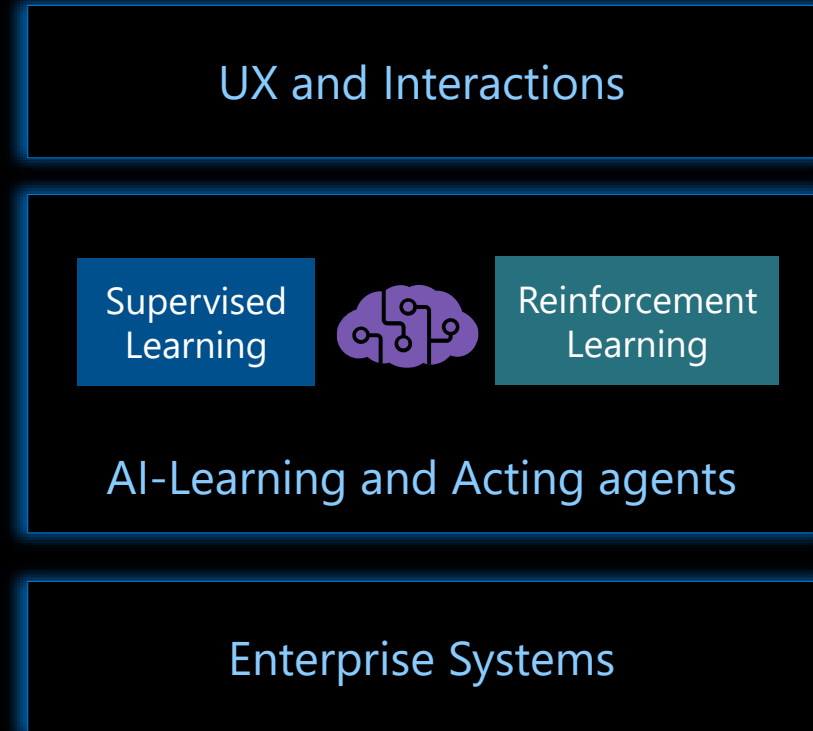

Middle Tier
(Business Logic)

Backend / Database

How can apps react to a changing world?

Perception and prediction → reasoning and planning
